

Medical Coder and Biller Certification (MCBC)

Role of a Medical Coder and Biller

A Medical Coder & Biller can compile, process, and maintain medical records of hospital and clinic patients in a manner consistent with medical, administrative, ethical, legal, and regulatory requirements of the healthcare system. They can also classify medical and healthcare concepts, including diagnosis, procedures, medical services, and equipment, into the healthcare industry's numerical coding system. Includes medical coders.
